Standard Conditions:

- Any change to the approved scope of work will require re-evaluation for compliance with NEPA and other Laws and Executive Orders.
- This review does not address all federal, state and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize federal funding.
- If ground disturbing activities occur during construction, applicant will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA.

For future Urban Shield EHP memos, we recommend that BA-UASI submit requests sixty days before the scheduled exercise. Please contact your Cal OES Program Representative, Maybel Garing-Espilla, in the Grants Management Division at [Maybel.Garing-Espilla@caloes.ca.gov](mailto:Maybel.Garing-Espilla@caloes.ca.gov) or 916-845-8429.
